

Lisech Family Reunion - 2009

All 23 members of the Lisech family traveled to Cassville, MO for a week of togetherness, fun, food, and relaxation. The special treat was the presence of Grandma (great-grandma) Joann, and Bonnie's step-brother, Kyle and wife Christie visiting for a day and a half. Though Grandma Joann has been battling cancer and was physically weak, she was strong in the Lord, and greatly encouraged each one of us.

We had a great time of sharing on Sunday morning and almost everyone shared. It was so encouraging to hear how the Lord had been working in the lives of each person (including many of the children) since our last reunion.

In two years, we could see a great many changes, besides a few of us getting older, all the grandchildren had grown and the girls all tried to be taller than grandma Bonnie. They didn't succeed this time, but next reunion grandma doesn't stand a chance!

For the first time the *guys* and the *gals* in our family are even in number.

Scott's oldest son, Andrew, was accompanied by his friend, *Bethany*.

Bryan's family is doing well and the girls are getting so TALL!

Trent and Sherri Means added a precious one year old baby boy, *Colton Howard*.

Jeff was SO glad to be with us from Alaska. All of us were so sad that His GOOD friend *Heather Turning* couldn't come because she had started a new job and didn't have enough vacation time.

Aaron has been out of work for about 8 months and we have been praying for a new job. *Praise the Lord he just got one!*

It hardly seems possible but we just celebrated our *46th Wedding Anniversary!* We enjoy being productive and working together as we write and publish Bible curriculum, missions materials, and also working on projects for PIONEERS. We are still trying to sell our home. *Please continue to pray!*

THANK YOU for praying for our family and our ministry. We appreciate you so much.
